COMMITTEE REPORTS

120th Great Council Session

GREAT COUNCIL OF PENNSYLVANIA

IMPROVED ORDER OF RED MEN

LONG TALK OF THE GREAT SACHEM

York, Pennsylvania
5th Sun, Hot Moon, G.S.D. 478

To The Great Council of Pennsylvania,
Improved Order of Red Men.
Greetings:

It affords me great pleasure on this occasion, the Kindling of the 120th Great Council Fire, to submit to you my report as Great Sachem, for the Great Sun, ending Hot Moon, G.S.D. 478.

I accepted the Tomahawk of Authority one Great Sun ago, in the City of Allentown, Pa., realizing full well the gigantic task that was before me, but apparently unsurmountable. However, with the assistance you so nobly and generously gave me, made my Chieftaincy this year an easy one. For which, I can assure you, I am everlasting grateful.

I must now, according to our Laws, present to you, for your consideration, a review of the work during the past Great Sun. During the early Moons of my term, some Tribes have exhibited marked activity. Adoptions were taking place in a good many Wigwams. I had entertained a fond hope as each Great Sachem does, that a gain in membership could be reported to you at this Session. Again, as all other Great Sachems, I was wrong. However, I am fully convinced that with a Vigorous and some Energetic Team Work, such a Gain can be accomplished. Fraternalism was born in us, remains with us, does not die with us, and for that reason I am optimistic enough to say to you, that with my knowledge of the kind and character of men comprising our Fraternity nothing is impossible, and success must crown our efforts.

Early in my term, I started on the Trail that led me all over the Reservation, in the hope that these visitations would stir up some interest in our Tribes. My hope in this direction was not without foundation, having been surrounded by a Board of Great Chiefs who were willing to Trail at all times. I have taken the advice and experience of our Past Great Sachems, Faithful Committee Men, and my Loyal Deputies.

If I have made mistakes in the eyes of some, I am sorry, because our views are not all alike. I did the best I could under the circumstances, and each sleep asked the Divine guidance of the Great Spirit for the following Sun. I have repeatedly prayed for an understanding Heart, so that I might obtain the best results possible during my Chieftaincy, and if you think I have been successful in my efforts, then I am indeed glad.

However, in spite of unfavorable conditions, my Red Brothers have spoken, and their voices have been heard. While we have not reached our Goal of a gain in membership, we have attained a fair measure of prosperity and success. I can truthfully say that the Loyalty and Support I received from most of our membership in this Reservation, have been wonderful, to say the least.

During the Fiscal Great Sun ending Worm Moon, G.S.D. 478, a large number of palefaces have been Adopted into our ranks. They have registered their determination to be numbered among us, and become a part of the greatest American Organization, the Improved Order of Red Men. I sincerely hope it will continue to thrive and increase in membership until it shall stand once again, without an equal in Fraternalism, and our Emblem, the Stars and Stripes, clean, unsullied, shall forever fly for our protection.

Do we realize how easy it is for us to destroy what we have earned over the past 120 Great Suns? Our membership in this period of time have labored to give YOU and I the Improved Order of Red Men of Today! Are we going to forget all of this hard work, or will we go forward to a new Improved Order of Red Men in Pennsylvania? THIS, MY BROTHERS, WILL BE UP TO YOU!

Scarcely had the Great Council Fire been quenched, when I was informed that our mutual friend and Brother, P.G.S. Leslie Brown, of Poutaxet Tribe No. 145, Phila., had passed on to the "Land of Ponemah." When the death of this Past Great Chief was announced June 29th, 1968, I could scarcely believe that our Brother, who has been very active in this Great Council for 57 Great Suns, has answered the final summons and gone to the Happy Hunting Grounds. But such was the case, and I, with you, and in common with all of our membership, could only bow in submission to the Will of the Great Spirit. The activities of this Brother, in furthering the cause of Redmanship will be greatly missed, and his companionship as well. More and more we realize that we have sustained a great loss.

During the Past Great Sun, your Board of Great Chiefs have met on various occasions, to discuss the problems and activities of our Great Council. During one of these meetings, the selection of the members for the Great Council of Pennsylvania Hall of Fame were discussed. Nominations were held by the Great Chiefs, and after careful consideration and study, the following members were Elected to the Great Council of Pa. "Hall of Fame" for the year of 1969.

P.G.I. John L. Howley, of Choctaw Tribe No. 306, Bryn Mawr, Pa.

P.G.S. and G.K.W.U.S. Ray L. Shaffer, Cornplanter Tribe No. 61, Harrisburg, Pa.

P.G.S. Robert T. Whisted, Minnewa Tribe No. 79, Philadelphia, Pa.

ACTIVE DEPUTIES AND WORKERS LEAGUE

As Great Sachem, I am very happy to report that the interest shown at the Deputies meetings have been very encouraging. Attendance during the past Great Sun at these meetings were above normal. I would like to congratulate the Deputies and Active Workers for the interest they have shown for the welfare of the Tribes in the Reservation. I sincerely request that they continue the good work and increase its scope under the succeeding Great Sachem. The Active Deputies and Workers League is a great benefit to our Order. My Hearty Commendation to them in carrying forward the principles of our Order.

COMMITTEE ON PROMOTIONAL DEVELOPMENT

This Committee, under the capable leadership of P.G.S. Howard T. Boyle, has been the Working Horse of our Order. Along with the Board of Great Chiefs, this Committee has held regular meetings every Moon, this past Great Sun. Many activities have been scheduled by the Committee, with the result that this Great Council has received untold Publicity during my term. Red Men Day at the Races was held in September, 1968, with a large turnout of members and their wives for this affair. A Trail Blazer Conference was held in Everett, Pa. with Wambic Tribe as the host on October 5th, 1968. Although two other Conferences were scheduled by the Committee, due to circumstances beyond their control, they unfortunately had to be cancelled. The C.O.P.D. Committee again held the 2nd Annual Pilgrimage to the "Faith of our Fathers" Chapel and "Hall of Patriots" on the Freedoms

Foundation grounds in Valley Forge, Pa. This Pilgrimage to my mind has been outstanding, with the result that more and more of our membership of both branches of the Order are participating. The Great Sachem and the Great Pocahontas placed a Five Foot Floral Tomahawk at the Corner Stone of this Historic Red Man Shrine. My sincere Thanks and Appreciation to all of our Tribes and Membership for their participation in the Conferences and Pilgrimage.

TRIBAL SUPERVISORY COMMITTEE

The Tribal Supervisory Committee, under the leadership of P.G.S. James E. Turnbull, have been very active this past Great Sun. Meetings were being held by this Committee, and help given to the Tribes in the Reservation when needed. Some Tribes have been Dormant and given support by the Committee. Others have received help and went forward. At the present time there are still some Tribes who should take advantage of the help from the Committee. If this is not done, it will be only a matter of time when they will no longer be affiliated with the Order. My sincere Thanks and Appreciation to the Committee for a job well done.

GOOD NEIGHBOR NIGHTS

It has been my pleasure to grant Dispensations to the following Tribes to hold Good Neighbor Nights. This type of activity has always been a "BOON" to our Tribes. It is a pity that the Tribes in our Reservation do not avail themselves of such Good Neighbor Nights. It may be just the thing that is needed by them to increase their numerical strength.

In conclusion, it gives me great pleasure to express my sincere Thanks and Appreciation to the members of Wambic Tribe No. 507, for their Loyal Support during my Three Years as a Great Chief. Without their consideration of relieving me of some of my duties in the Tribe, my term could not have been successful.

To the incoming Great Sachem, James Daugherty, I pledge my full support and co-operation. May the Great Spirit Bless and Safely guide you on your journey back to your private Wigwam.

RECOMMENDATION

REPORT OF THE GREAT JUNIOR SAGAMORE

York, Pennsylvania
5th Sun, Hot Moon, G.S.D. 478

Greetings:

It has been my pleasure and a great Honor to be Raised to the Chieftaincy of Great Junior Sagamore, of the Great Council of Pennsylvania.

I have fulfilled the obligation of my Chieftaincy to the best of my ability during the past Great Sun. However, with the unusually heavy work schedule, and being President of the Central Pennsylvania Chapter of the American Society of Safety Engineers, I have not been able to travel as much as I would have liked to.

I have traveled to various Deputy meetings and Great Council activities. I have also attended the Great Council of the United States Session, in September 1968, at Richmond, Virginia. I have been privileged to attend a One Day Seminar at Baltimore, Maryland, in March, 1969, conducted by the Great Incohonee, Edward L. Keyser, entitled "Boot Strap."

With the help of the Great Spirit and your co-operation, I shall endeavor to continue to give my wholehearted support for the good of the Order, and am hopeful that I will be able to attend more Great Council affairs in the next Great Sun.

Fraternally yours in F.F. & C.

REPORT OF THE GREAT PROPHET

York, Pennsylvania
5th Sun, Hot Moon, G.S.D. 478

To the Great Council of Pennsylvania
Improved Order of Red Men.
Greetings:

In this, my final report as a member of the Board of Great Chiefs of the Great Council of Pennsylvania, I would like to take this opportunity to Thank everyone for Courtesies and Help given to me as a Great Chief during the past Four Great Suns. I could go on with the many activities that I participated in during the past Great Sun. However, this would be repeating what the other Great Chiefs have in their reports. I sincerely believe that our Order in Pennsylvania can go forward in the future with support and help from our general membership. Without such support, we are lost, with the final prospect of oblivion. The answer is in your Hands. What will it be; Onward to a new Goal? or Backward to oblivion.

As my term ends as a Great Chief, I would like to Thank the Great Sachem, Walter Shauf, in having me as a part of his team. Also my Thanks and Appreciation to the members of Shandakin Tribe No. 517, for their kind consideration and support, so that I may be allowed to fulfill my obligation as a Great Chief during the past Four Great Suns.

In conclusion, I Pledge my wholehearted support to our incoming Great Sachem, James Daugherty. Also my services to this Order will always be available in the future for the betterment of our Noble Order.

Fraternally yours in F.F. & C.

REPORT OF THE GREAT CHIEF OF RECORDS

York, Pennsylvania
5th Sun, Hot Moon, G.S.D. 478

To The Great Council of Pennsylvania,
Improved Order of Red Men.
Greetings:

Once more we are permited to meet by the Grace of the Great Spirit, and to assemble in Council to mold the destinies of our Noble Order for another Great Sun.

Again, I must have the sad duty to announce a Loss in Membership this past Great Sun. This Loss is not the result of no activity in our Reservation, but due to many Suspensions beyond the control of many Tribes, and our Reservation having a High Death Rate.

There has been much activity shown in certain sections of our Reservation, and splendid gains appear in the reports of many Tribes. Some of the Tribes who have been in a rut the last Two or Three Great Suns have revived and are showing gains in membership. Then again, some of our old reliable Tribes have fallen behind numerically, but are strong Financially. I am sure that we are at the bottom of the ladder and must start an upward trend, finally resulting in a gain in membership in the Reservation of Pennsylvania.

Your Great Sachem and his Board have traveled many miles during this past Great Sun, making many visitations to the various Tribes in the Reservation. These visitations have improved the relationship between the Great Council and the Tribes. Tribes in the Reservation were given support and help when requested. Although some differences prevail in our Reservation, I am sure that they can be eliminated this next Great Sun, and again have complete Harmony in our Reservation.

Permit me at this time to express my Thanks and Appreciation to a fine Great Sachem and working with a Co-operative Board of Great Chiefs and Committee members. This kind of co-operation makes my job more easy.

In pleasant anticipation, I am looking forward to another Great Sun. Working along with our incoming Great Sachem, James Daugherty, and working together as a Team, Pennsylvania can go forward this next Great Sun.

RECOMMENDATION

I do hereby recommend that if there is no increase in Per Capita Tax, the Great Trustees be empowered and Authorized to withdraw the necessary Funds from the Great Council Trust Fund to balance the budget for the next Fiscal Great Sun.

REPORT OF THE GREAT TRUSTEES

York, Pennsylvania
5th Sun, Hot Moon, G.S.D. 478

Greetings:

In accordance with the Laws of the Great Council of Pennsylvania, The Great Trustees submit their Annual Report.

At the 119th Session of the Great Council of Pennsylvania, held in Allentown, June, 1968, the budget for this term was adopted. Therefore, according to the proposed budget as presented by the Finance Committee at the Session, The Great Council of Pennsylvania would have a deficit of $8,780.44, and according to the recommendations that were adopted at the Session, The Great Trustees of the Great Council of Pennsylvania were authorized to withdraw the necessary funds from the Trust Fund of the Great Council of Pennsylvania to balance the budget. The Finance Committee met on Monday, June 24th, and these funds had to be in the General Fund of the Great Council before that date.

In order to get these necessary funds and have them in the bank before Finance Committee night, immediate action had to be taken to secure the money from the Savings & Loan Association the Great Council of Pennsylvania had money invested in. Therefore, The Great Trustees were Authorized to withdraw $6,000 from The Chester County Federal Savings & Loan Association closing that account, and $2,800.00 from The University City Savings & Loan Association leaving a balance of $3,800.00 in that Association. This makes a total of $8,800.00. In order to expedite the procedure and get the money into the bank on June 20th, 1968, a call was made to the above Associations stating our urgent need for this money to cover our necessary expenses. The above Associations agreed to accept the signatures of the Great Keeper of Wampum, The Great Chief of Records, and The Great Sachem to withdraw these funds.

Also Mohican Tribe No. 1 still owed The Great Council of Pennsylvania $1,000.00 from their Excess Funds and it was necessary to withdraw that amount from The Indiana Savings & Loan Association. Therefore, The Great Trustees of The Great Council of Pennsylvania, Signed the letter giving permission to withdraw these funds so the money could be deposited in The Great Council General Fund by June 20th at the latest.

REPORT OF THE GREAT TRUSTEES HELD IN OBEYANCE

On motion of P.S. Charles C. White, No. 149, seconded by P.S. Wesley Read, No. 188, it was moved that the report be received, made part of the records. On the question, P.G.S. Ray L. Shaffer requested some information pertaining to the figures of the report being inaccurate. Brother Moore stated that the figures were inaccurate, but could not explain the reason for same and requested the Great Keeper of Wampum to more fully explain the difference.

The Great Keeper of Wampum, Philip J. Smith, stated that this was due to a misprint in the Long Talk. After some discussions on this question, the members in Session requested the Great Sachem to ask the maker of the motion and the seconder to withdraw their motion. This was complied with by both the maker and seconder of the motion.

On motion of P.G.S. John Caruso, No. 79, seconded by P.G.S. Patrick J. Owens, No. 118, it was moved that the report of the great Trustees be referred back to them and that the Great Trustees and the Great Keeper of Wampum get together to correct the report and report back to the Session when completed.

REPORT OF THE COMMITTEE ON PROMOTIONAL DEVELOPMENT

York, Pennsylvania
5th Sun, Hot Moon, G.S.D. 478

Greetings:

We, your Committee on Promotional Development, do hereby present our report for the past Great Sun.

At the First meeting of the Committee, held in July, 1968, The Great Sachem, Walter Shauf, was present and presented his plans for the coming Term. The Great Sachem requested that the Committee carry on their plans as in the past, and that he would like to have Three Trail Blazer Conferences in the Reservation. He also requested that the C.O.P.D. Committee again sponsor a Pilgrimage to the Faith of our Fathers Chapel, in the Hall of Patriots, Valley Forge, Pa.

The Great Sachem's plans also included "Good Neighbor Nights" and Red Men Day at the Races. These plans were well received by the Committee and agreed to carry out the Great Sachem's Program.

The C.O.P.D. Committee, at the request of the Great Sachem, will again award Trophies to the Tribes in the Reservation, who will show a gain in membership during his term. Also, the Deputy of the Tribe showing a gain in membership will also receive a Trophy. These Awards will be based on the Twelve Moons report. However, no Awards will be made either to the Tribe or Deputy unless the Six and Twelve Moons reports are sent into the office according to Law.

The C.O.P.D. held at least 10 meetings during the term, with a Trail Blazer Conference being scheduled for Everett, Pa., with Wambic Tribe No. 507 as the Host. An invitation was extended to all of the Tribes in the Western Area of the Reservation. This Conference, although poorly attended by the Tribes in the Area, was successful, with a class of palefaces Adopted by the Great Council Adoption team.

The Second Trail Blazer Conference was scheduled for Tamaqua, Pa., in January, 1969. However, due to Tamaqua Tribe No. 288 renovating their new building, this Conference was cancelled. The Third Conference was scheduled for the Greater Philadelphia area in April, 1969. This Conference was also cancelled, the C.O.P.D. Committee being unable to secure proper facilities for the Conference.

The Red Men Day at the Races, sponsored by the C.O.P.D. Committee, has proven successful with over 60 members and their wives attending the Races. A good time was had by all, and they requested that the Committee plan another Night at the Races. Valuable publicity was received at the Races. The Great Council of Pa. had their name advertised on the Giant Tote Board and had a Race named in their Honor. The Committee sincerely hopes that more members will take the opportunity and help swell the crowd and have an enjoyable evening.

Good Neighbor Nights were scheduled by the following Tribes during the term. Shandakin Tribe No. 517, Neoskaleta Tribe No. 6, Hiro Tribe No. 309, Choctaw Tribe No. 306, Uppowoc Tribe No. 47, Minnewa Tribe No. 79. These Good

Neighbor Nights have always proven successful, and quite a few palefaces were captured by the Tribes holding such a Night.

An invitation was received by the C.O.P.D. Committee, from the Freedoms Foundation, in Valley Forge, to again participate in their celebration of Washington's Birthday, February 22nd, 1969. The program consisted of 47 Fraternal and Civic organizations participating. Each organization placed a Wreath at the foot of the Giant Statue of George Washington at Valley Forge, with appropriate ceremonies. Again, the Great Council of Pennsylvania was in the forefront by placing a Five Foot Floral Tomahawk at the base of the Statue. Much publicity was received from this program. The Red Men and about 25 men in Indian Costume were present for the ceremony.

PILGRIMAGE TO VALLEY FORGE

Your Committee on Promotional Development again sponsored a Pilgrimage to the "Faith of our Fathers Chapel" in the "Hall of Patriots," on the Freedoms Foundation grounds, Valley Forge, Pa., on Saturday, April 12th, 1969. This Pilgrimage was very inspiring, with the Memorial Services being rendered by the Board of Great Chiefs, honoring all of our deceased Brothers and Sisters of the Order. This Pilgrimage was honored by having the Great Incohonee, Edward L. Keyser, Sr., of Maryland, and the G.S.S. of the Great Council of the United States, S. LeRoy French, of Massachusetts, in attendance. Also in attendance were: G.K.W.G.C.U.S. Ray L. Shaffer, and P.G.I. John L. Howley, of Harrisburg, and Haverford, Pa. Many members of both branches of the Order were present for these Ceremonies with Three P.G.S.'s from the Reservation of Maine present. After the Ceremonies, everyone retired to the Red Men and Pocahontas Cornerstone outside the Chapel where the Great Sachem, Walter Shauf, and the Great Pocahontas, Beatrice Weimer, placed a Five Foot Floral Tomahawk at the Corner Stone. The Great Incohonee, Edward L. Keyser, Sr. and the G.S.S. LeRoy French, made appropriate remarks for the occasion.

Your C.O.P.D. Committee would like to express their Thanks and Appreciation to everyone who attended the Pilgrimage. This Pilgrimage is one activity of the Improved Order of Red Men and Degree of Pocahontas that should be continued each year, with the hope that more and more of our membership throughout the Great Reservation of the United States, will take advantage of this visit to our Historic Shrine.

"HALL OF FAME"

Your Board of Great Chiefs have held a meeting on March 18th, 1969, and discussed the nomination and election of members to the "Hall of Fame." Their Election to the "Hall of Fame" were:

P.G.I. John L. Howley, of Haverford, Pa.

P.G.S. Ray L. Shaffer, of Harrisburg, Pa.

P.G.S. Robert T. Whisted, of Phila., Pa.

"FLAG RAISINGS"

Communications were received from Three Tribes in the Reservation announcing that they will hold Flag Raisings at their Tribal Wigwam. Choctaw Tribe No. 306, of Bryn Mawr, held their Flag Raising in September. Montour Tribe No. 188 was presented with their Flag in October, and Wambic Tribe No. 507 will hold their Flag Raising in May, 1969. The Flags for Montour Tribe and Wambic Tribe were flown over the Capitol, at Washington, D.C. and presented to the Tribes.

A Red Men parade was held by Choctaw Tribe with a large number of Red Men and Pocahontas in the line of march. Wambic Tribe will also hold a Red Men parade at their Flag Raising, with the line of march proceeding through the streets of Everett.

Your Great Council C.O.P.D. Committee feel that they have scheduled quite a few activities for the membership. However, in some instances the participation by the membership in these activities was very poor. These activities scheduled by the Committee are for the benefit of our Tribes and its members. We sincerely hope that our membership will take on a new lease in Redmanship, and help to make these affairs more successful in the future.

Greetings:

We, your Great Trustees, having been requested by the members of this 120th Great Council Session, to review our report as Great Trustees, make a new report and report back to the Session of our findings.

Therefore, we, your Great Trustees, having examined our report, find that the report of the Great Trustees is correct and needs no changing. Our findings are that in the Great Trustees report, the printer made a typographical error and printed a balance of $3800.00 instead of a balance of $3200.00. Also in the Great Keeper of Wampum report, the proper wording was left out concerning the withdrawal of the Funds as Authorized by the 119th Session of the Great Council.

Your Great Trustees have Authorized the withdrawal of $8800.00 from the Trust Fund. Of this amount, $8,106.26 was used for Great Council expenses. $500.00 of the above amount was invested in Certificates in the Girard Trust Bank and shown on Page 12 of the Long Talk of the Great Trustees, Trust Fund. The balance of $193.74 was deposited in the Great Council General Fund, making this a total of $8800.00 as Authorized.

REMARKS BY REPRESENTATIVE OF THE GREAT INCOHONEE

The Great Sachem called on the Representative of the Great Incohonee, Great Senior Sagamore, Great Council United States, S. LeRoy French, for some words of Wisdom. Brother French stated that the Laws of our Great Council are such that we must interpret them properly and vote on them intelligently. The Great Council of Pennsylvania should be commended to have a Committee that would put in such a tremendous amount of time into the proposed Amendments. He also stated that all of the different Committee reports were very good. The C.O.P.D. Committee should be and is the most important committee in any Great Council. The operation Boot Strap which was issued by the Great Council United States is important and requested that the Great Council of Pennsylvania give them their full support on this program.

Brother French stated that the Great Incohonee's message and program to the members at the Richmond, Virginia, Session were:

No. 1—The Patriotic Awards Program. Brother French requested that all Tribes and Councils look for citizens who display the American Flag continuously, and make arrangements to present Awards to them. Also, the Aerial Flags that were distributed by the members of Pennsylvania should be on every car. This would be a wonderful way to display our Flag in Public.

TORCH BEARER PROGRAM

This Program is important to the Order as it requests every member to bring in a new member and be Torch Bearer.

RED MAN MAGAZINE

The Red Man Magazine can be had free by our membership if they purchase the Christmas cards. Brother French also stated that the Christmas Card program has been a thorn in the Great Council United States. This program has not been productive. Brother French also stated that the Insurance Plan as proposed at the Richmond Session has been lagging. The Insurance Company requested all tribes to send in a list of their members, as the returns have been very poor to date.

HIGHWAY SAFETY PROGRAM

Highway Safety Program has been carried out for many Great Suns. However, changes have been made in this program and Bumper stickers are being issued to be used on the cars of the members.

DEGREE OF HIAWATHA

Brother French stated that in checking our records, he finds that Pennsylvania has no Degree of Hiawatha Councils. At one time, several Councils were in operation in Pennsylvania, but they have become extinct. He believes the reason for this failure has been that no Counsellors could be had or that could devote their time to this program. This program has been successful in Massachusetts, and he stated that perhaps with a little effort such a program can be revived.

COMBAT COMMUNISM

Brother French stated that requests have been made at various times for members and Tribes to make donations for this worthy program. We as members of the Improved Order of Red Men can do a lot to combat communism. It is important to our American Way of Life.

NEW TRIBES

Brother French remarked that one of the necessary programs we should stress on is the institution of new tribes. Usually tribes cannot be saved. We must have young blood if we are to survive.

TRIBAL SUPERVISORY COMMITTEE

Brother French claimed that he never heard of such a committee until he made visitations to Pennsylvania. He would like to have more information on this program. The report of the committee has been wonderful and should be brought to the attention of the Great Council United States, Board of Great Chiefs.

All of these Words of Wisdom and remarks were greatly appreciated by all of the members assembled.

REPORT OF THE GREAT REPRESENTATIVES

York, Pennsylvania
5th Sun, Hot Moon, G.S.D. 478

Greetings:

Your Great Representatives wish to report that they attended the last session of the Great Council of the United States that was held in the City of Richmond, Virginia, from September 23 to 28, 1968. The presiding Great Incohonee, Brother Larry W. Herringer, saw fit to name your Great Representatives to the following

Session Committee: P.G.S. Howard T. Boyle as a member of the Committee on Credentials; P.G.S. James E. Turnbull as a member of the Committee on Ceremonies; P.G.S. Robert T. Whisted as a member of the Committee on Distribution, and P.G.S. Robert G. Moore, Jr., as the Chairman of the Committee on Resolutions.

We were handicapped at the start of the session because of the non-arrival of the Great Chief of Records trunks with all of the session papers in them. Copies of all proposed legislation did not get into our hands until Tuesday afternoon.

A recommendation was approved by the Committee on Ceremonies to make the Ceremony of Draping the Charter the first order of business after Rule 4 and it was passed by the body.

Legislation was passed amending Sections 5-1.11 and 6-3.13 to permit Great Councils and tribes to have their chiefs raised in public without having to apply for a dispensation.

Legislation was passed to permit a tribe to exempt a 50 year member from paying further dues or a portion of them if they desired. Another one was presented to the session to permit tribes to refrain from paying per capita tax on 50 year members but it was turned down.

Legislation was passed to permit a Great Council to adopt legislation to authorize the payment of an organizer's Fee if they desired. Upon the institution of a tribe approved by the Great Council, a sum of up to five dollars may be paid from the adoption fee of each member adopted, to the organizer, but in no case may this fee exceed more than fifty percent of the total adoption fee.

Section 7-1.06 relating to Saloon Keepers being members of the order, was repealed.

Resolutions were submitted by P.G.I. John L. Howley to regulate the number of members needed to hold a charter and to set a minimum annual dues and one by P.G.S. Earl E. Boyd, P.G.S. Caruso and P.G.S. Elmer Garton to change the way of election of Great Chiefs of a Great Council. None of these bills were enacted into law.

The National Finance Committee recommended to the members that all past and future monies received from the Christmas Card Program be applied as credit against the outstanding loan that the Great Council has received from the Committee on Promotional Development. Said loan stood at $23,800.00 as of the session. The recommendation was approved.

Past Great Incohonee Henry Valent presented an insurance program from the Colonial Penn Life Insurance Company asking permission for them to survey the membership of the Great Council. The program had been approved by the Board of Great Chiefs and the members of the Great Council approved their action.

Our Great Incohonee, Brother Edward L. Keyser, Sr., saw fit to appoint P.G.S. James E. Turnbull as his Great Tocakon. With P.G.S. Ray L. Shaffer as the Great Keeper of Wampum and P.G.S. Matthew N. Schlitter as a member of the Great Chief of Appeals the Great Council of Pennsylvania is well represented in the Great Council of the United States. Brother John L. Howley as a Past Great Incohonee is much admired member of the Great Council and as such does all that he can for our Great Council.

Your Great Representatives want to recommend that in the future that they be forwarded a copy of all legislation that is to be presented to the Great Council of the United States.

Hoping that this report meets with your approval, we remain,

Yours in F.F. & C.

S/P.G.S. ROBERT T. WHISTED
S/P.G.S. JAMES E. TURNBULL

SMOULDERING OF THE GREAT COUNCIL FIRE

The Hour having arrived, the Great Sachem smouldered the Great Council Fire at the 4th Run (4:00 P.M.), Setting of the Sun, to be rekindled at the 9th Run, of Tomorrow's Sun (Saturday Morning).

FRIDAY EVENING

COUNCIL OF SORROWS

At the 7th Run, 30th Breath, Setting of the Sun (7:30 P.M.), the Great Chiefs, Past Great Sachems, Representatives, Delegates and Friends assembled in the Continental Room of the Yorktowne Hotel, for the Ritualistic Ceremonies, in Memory of the Deceased Brothers who have passed on to the "Land of Ponemah" during the Past Great Sun. The Invocation was given by the Great Prophet, John W. Baumhauer. The Ritualistic Ceremonies were performed by the Board of Great Chiefs. The Eulogy Honoring the Deceased Brothers of the Reservation of Pennsylvania, was delivered by P.G.I. John L. Howley.

EULOGY IN MEMORY OF OUR DEPARTED BROTHERS

My Friends, I feel tonight that our Deceased Members are only sleeping. We have again assembled after the passing of another Great Sun, to pay Homage to those who only a few Suns ago, sat around our Council Fires, but who have answered the call of the "Great Spirit". As we listen to the Beautiful Ritualistic Service of our Order, we cannot help but feel the Solemnity of this occasion. These Services are for the purpose of diverting our minds from the activities of Life, and bring us to commune as it were, with our departed Brothers. At this time, after the Golden Sun has gone down over the Western Horizon, and our days labor is completed could we find a more opportune time to cast aside all other thoughts and meet together as they once did.

During the Past Great Sun, close to 336 Members were summoned to the Happy Hunting Grounds of their Fathers. Tonight, we pay tribute to their Memories. How appropriate the words, "Only they who do not Fear to Die, are fit to Live". We feel that all of those who have passed away, had no Fear of Death. But, when the Great Spirit's call came, they answered the summons with Unwavering Courage, and the Honor Conferred on them by us, "SHOULD KNOW NO BOUNDS".

The fact that only a short time ago we were meeting together, should bring us to realize that we too, are traveling along the Pathway of Time, to that undis-

covered country, from whose Tomb, no traveler returns. But the "Great Spirit," in his Goodness and Wisdom has spared us, and no doubt for a specific purpose. When a Member of our Beloved Order is called to meet the Shaft of Death, he has the assurance that those of his dependents who are left in the great arena of Life, will have the Love and Care of his surviving Brothers, that his Orphans will be protected by the concentrated Care and Protection of the Members of the Reservation of Pennsylvania.

Let us not forget that those who have passed on have left us a Duty to perform. Numbers of them without doubt, oftimes filled their stations at a personal sacrifice, while they ministered to the Sick, Consoled the Widow, and gave Care to the Orphan. What Nobler Sacrifice than that given unselfishly for our Fellowmen. These duties now develop on the survivors, who will take up the Tenets of our Noble Order and carry the Banners to the Forefront in this Land, where all Men are Free and Equal, and Unfettered by Bondage.

O LORD, THAT SEEST, FROM YON STARRY HEIGHT,
CENTERED IN ONE THE FUTURE AND THE PAST;
FASHIONED IN THINE OWN IMAGE, SEE HOW FAST,
THE WORLD OBSCURES IN ME WHAT WAS ONCE BRIGHT;
ETERNAL SUN, THE WARMTH WHICH THOU HAS GIVEN,
IT CHEERS LIFE'S FLOWING APRIL FAST DECAYS;
YET, IN THE COLDEST WINTER OF MY DAYS,
FOREVER GREEN SHALL BE MY TRUST IN HEAVEN.

Due to the constant decrease in revenue thereby making it mandatory to withdraw revenue from the Trust Fund to balance the budget, we, your Finance Committee, do hereby recommend to the Great Council in Session to pass the necessary legislation to raise the Per Capita Tax to balance the budget.

We, your Finance Committee, do also recommend that if the Per Capita Tax is not increased sufficiently, then the Great Trustees be empowered and authorized to withdraw the necessary funds from the Great Council of Pennsylvania Trust Fund to balance the budget.

Boyd, No. 309, it was moved that the wording in the

Bill pertaining to the amount of the tax be changed to read from Five Fathoms ($5.00) to Three Fathoms ($3.00) fifty inches (50 cents) per Great Sun. On the vote in favor of the change, 42 votes were cast; against the change, 36 votes were cast. The Great Sachem declared the Amendment to the Bill.

CARRIED

Some members of the body asked the Great Sachem if the Amendment just passed should not be referred to the Legislative Committee. P.G.I. John L. Howley, No. 306, stated that it was not necessary to give this to the Legislative Committee as it is a bill to increase the Revenue which is always in order.

A Representative form for a Roll Call vote by secret ballot was presented to the Great Sachem and signed by five Representatives. The Election Board having only two members present, the Great Sachem appointed P.G.S. Elmer Garton, No. 423, as the third member of the Board for the counting of the ballots. The Great Chief of Records called the roll and the Election Board passed out the ballots to all members entitled to receive them. When balloting was completed, the Great Sachem requested that everyone qualified to cast a ballot should deposit the ballot into a container furnished by the Election Board and under their jurisdiction.

The result of the balloting for an increase in Per Capita Tax was: For an increase, 61 ballots were cast; against an increase, 8 ballots were cast. A total of 69 ballots being cast and a four-fifths vote being needed, the Sachem declared the Bill for an increase in Per Capita Tax

REMARKS BY THE REPRESENTATIVE OF THE GREAT INCOHONEE

The Great Sachem called on the Representative of the Great Incohonee, Great Senior Sagamore, Great Council United States, S. LeRoy French, for some final Words of Wisdom. Brother French thanked everyone for the hospitality extended to him on his stay in our midst. He also stressed on membership. Brother French stated we need young blood in our Order if we are to continue. He also stated that the membership award by the G.C.U.S. in memory of the former Great Chief of Records, Brother Lemke, is now in full progress and everyone should do their share and become a part of this program and perhaps win one of the valuable prizes offered by the Committee. Brother French especially noted the great loss in Pennsylvania and stated that the Great Chiefs should request their tribes to stress on quality rather than quantity. In that respect, the suspensions would be held to a minimum. Brother French also requested that the Reservation of Pennsylvania should support their C.O.P.D. Committee and also support the operation BOOT STRAP of the Great Council United States. He also stated that we as members of this great Order should feel proud of our Shrine at Valley Forge. Brother French stated that he will be pleased to report to the Great Incohonee about our Harmonizing Session and that Harmony once again prevails in the Reservation of Pennsylvania. Brother French thanked everyone for the courtesies extended to him during his stay and he expects to be back again in the Reservation of Pennsylvania when he becomes Great Incohonee in 1970.
